Any News?

All have been enjoying watching the birds feed off the new bird table in the garden. The bird table was made by Jason at the day centre and he has been responsible for putting out fresh food and water.

Also, 6 sped off on the Eurostar to Disney Land Paris last month with Nicky and Chris.

Everyone would like to wish Neil a speedy recovery after his recent knee operation.

David, Rachel and Michael have been growing different herbs at Canterbury College and think it would be a good idea for Cleveland to have their own herb garden

Holiday Newsletter

Disney Land Paris, March 2009 -

Nicky, Chris, Jane, Meena, Edward G, Matthew, Nicky J and David all travelled to Disneyland Paris on 24th March and returned back to Cleveland on 26th March 2009.

Here's what they thought!!!

"I enjoyed the first class treatment on the Eurostar. Some of the rides at Disneyland were a little bit scary, the hotel was very nice. I would like to go to Disneyland Florida next time."

Jane

"We went to the shops and I brought a new coat and a Mickey Mouse t-shirt. My favourite ride was the elephant ride. I had a lovely dinner in the hotel, it was chicken and chips. I enjoyed seeing all the Disney characters."

David

"I saw Minnie and Mickey Mouse. I went to the big shop and got a new t-shirt with Mickey Mouse on."

Matthew

"We travelled to Disneyland Paris by Eurostar. We stayed in a nice hotel. The best bit was when I met Minnie Mouse and Donald Duck, and also when we watched the Mickey Mouse show. I went to a huge store that sold Disney characters, it was amazing. I also enjoyed the magic tea cup ride, the 'It's a small world after all' ride. We came home by Eurostar. I would love to go to Disneyland again."

Meena

"I got a Mickey Mouse t-shirt from the shop. I liked the Pirates of the Caribbean ride, it was really fast and I got really wet. One night I had chicken and chips for dinner, it was yummy!! I went on the Eurostar; it was really dark and fast."
